

Strahl Von Valor Shepherds Non-Refundable Flight Nanny Contract Terms and Conditions

This agreement (“Agreement”), dated as of _____, 20__ (the “Effective Date”), is between Strahl Von Valor Shepherds (“Transporter”), and _____ (“Buyer”). Buyer agrees to pay _____ (\$_____) Flight Nanny Fee (“Transport Fee”) on a German Shepherd puppy from Strahl Von Valor.

In order for Strahl Von Valor Shepherds (SVVS) to schedule transport of your pet, you must READ AND AGREE TO THE FOLLOWING terms and conditions as outlined below. SVVS requires a signed copy of this agreement be emailed to strahlvonvalorshepherds@gmail.com at booking.

1. **Non-Refundable Flight Nanny Fee:** Buyer acknowledges that the Flight Nanny Fee is non-refundable in all circumstances, including but not limited to if Buyer decides s/he does not want or is no longer able to take the puppy. Upon receipt of the Transport Fee, Transporter agrees to make appropriate travel arrangements and notify Buyer of pickup date at their local airport. The Transport Fee shall be made in US Dollars and paid to Breeder via payments through Good Dog or PayPal.
2. **8 Week Minimum Age:** ALL DOGS MUST BE AT LEAST 8 WEEKS OF AGE, per USDA federal law. No pet may be transported if less than 8 weeks of age. By signing this form, the signer certifies that the pet being transported by SVVS is at least 8 weeks of age on or before the date it has been scheduled for pick-up.
3. **Documentation:** Two copies of a valid Interstate Health Certificate will accompany the pet if state laws require it. The health certificate will be issued by a Doctor of Veterinary Medicine no sooner than 10 days before the scheduled pickup date. One copy is for the receiver and the other will be retained by SVVS. We will have the signed Contract, and Health Certificates in a manila folder or envelope upon pick-up of your pet so that nothing will be left behind.
4. **Vaccinations:** All pets must be up to date on their vaccinations. Since puppies will have not received their complete set of vaccination shots, SVVS will treat them as NPOG (No Paws On the Ground).
5. **Fees and Deposits:** After a fee has been quoted and agreement signed a payment request will be sent in order to reserve a day to fly. Flights should be scheduled at least 1 month in advance if possible.
6. **Scheduling of Pick-up and Delivery:** It is understood by the undersigned that at no point during the scheduling of a transport can a specific date, time, or duration be guaranteed for pickup or delivery of your pet. SVVS will only state the day or range of days of the transport at booking until 2 days before the planned flight takes place. It is further understood that these are only estimates and although SVVS will make every effort to adhere to any date or time communicated to you, there are many unforeseeable factors which influence the dates and times for a transport. Some of those are but are not limited to: weather, road conditions, flight delays, cancelled flights, and acts of God. By

signing this agreement, you certify that you understand that our nannies fly standby and although it is rare, we will sometimes be later than expected.

7. 24 Hour Access: SVVS provides transport services 24 hours a day. While SVVS will attempt to arrive at a convenient time, schedules may dictate arrival at any hour day or night. Affected clients will be called and updated with the estimated date and time of arrival. I understand that, IF NO ONE IS AVAILABLE TO RECEIVE the pet and/or SVVS is unable to contact the responsible drop-off party, there will be a daily \$100.00 fee per pet to defray the cost of care and the pet(s) will be rescheduled for delivery on the next available flight opportunity. The party signing this contract will be responsible for all money due, which will be required prior to redelivery.
8. Rescheduling or Cancelling: If you reschedule, after the flight reservation has been made, you will be charged a rescheduling fee of 10% of the total price for transport. By signing this contract you agree that the transport fee is none refundable. Should you cancel after the flight reservation has been made no refund will be given.
9. Weight loss and Dehydration: It is common for animals on board to become sick due to motion sickness, and to refuse food or water during a route. SVVS will not be held responsible for weight loss or dehydration during the route due to the animal's refusal to consume offerings or due to motion sickness. SVVS will notify you at drop off if either situation does occur.
10. SVVS takes every step necessary to prevent the spread of infectious diseases and does not allow an animal on board that appears to be ill. However, SVVS will not be held responsible if your pet does happen to contract a disease before, during, or after transport of your animal.
11. Your flight nanny will contact you via text message 2 days before flight with further instructions and an update on flight status. Your flight nanny will not have access to a phone while in flight but will touch base with you when able.
12. By signing below, you are certifying that you have read and agree to the terms listed above. By signing this contract you agree that the terms of this contract are fair and that you have made the appropriate arrangements to adhere to your contractual agreement.
